The Company may examine and audit the Named Insured's books and records at any time during the policy period and extensions thereof and within three years after the final termination of this policy, as far as they relate to the subject matter of this insurance.

3. Financial Responsibility Laws

When this policy is certified as proof of financial responsibility for the future under the provisions of any motor vehicle financial responsibility law, such insurance as is afforded by this policy for bodily injury liability or for property damage liability shall comply with the provisions of such law to the extent of the coverage and limits of liability by such law. The Insured agrees to reimburse the Company for any payment made by the Company which it would not have been obligated to make under the terms of this policy except for the agreement contained in this paragraph.

4. Insured's Duties in the Event of Occurrence, Claim or Suit

- (a) In the event of an occurrence, written notice containing particulars sufficient to identify the Insured and also reasonably obtainable information with respect to the time, place and circumstances thereof, and the names and addresses of the injured and of available witnesses, shall be given by or for the Insured to the Company's authorized representative as soon as practicable.
- (b) If claim is made or suit is brought against the Insured, the Insured shall immediately forward to the Company's authorized representative every demand, notice, summons or other process received by him or his representative.
- (c) The Insured shall cooperate with the Company and, upon the Company's request, assist in making settlements, in the conduct of suits and in enforcing any right of contribution or indemnity against any person or organization who may be liable to the Insured because of injury or damage with respect to which insurance is afforded under the policy; and the Insured shall attend hearings and trials and assist in securing and giving evidence and obtaining the attendance of witnesses. The Insured shall not, except at his own cost, voluntarily make any payment, assume any obligation or incur any expense other than for first aid to others at the time of accident.

5. Action Against The Company

No action shall lie against the Company unless, as a condition precedent thereto, there shall have been full compliance with all of the terms of this policy, nor until the amount of the Insured's obligation to pay shall have been finally determined either by judgment against the Insured after actual trial or by written agreement of the Insured, the claimant and the Company.

Any person or organization or the legal representative thereof who has secured judgment or written agreement shall thereafter be entitled to recover under this policy to the extent of the insurance afforded by this policy. No person or organization shall have any right under this policy to join the Company as a party to any action against the Insured to determine the Insured's liability, nor shall the Company be impleaded by the Insured or his legal representative. Bankruptcy or insolvency of the Insured or of the Insured's estate shall not relieve the Company of any of its obligations hereunder.

6. Other Insurance

The insurance afforded by this policy is primary insurance, except when stated to apply in excess of or contingent upon the absence of other insurance. When this insurance is primary and the Insured has other insurance which is stated to be applicable to the loss on an excess or contingent basis, the amount of the Company's liability under this policy shall not be reduced by the existence of such other insurance.

When both this insurance and other insurance apply to the loss on the same basis, whether primary, excess or contingent, the Company shall not be liable under this policy for a greater proportion of the loss than that stated in the applicable contribution provision below:

(a) **Contribution by Equal Shares.** If all of such other valid and collectible insurance provides for contribution by equal shares, the Company shall not be liable for a greater proportion of such loss than would be payable if each insurer contributes an equal share until the share of each insurer equals the lowest applicable limit of liability under any one policy or the full amount of the loss is paid, and with respect to any amount of loss not so paid the remaining insurers then continue to contribute equal shares of the remaining amount of the loss until each such insurer has paid its limit in full or the full amount of the loss is paid.

(b) **Contribution by Limits.** If any of such other insurance does not provide for contribution by equal shares, the Company shall not be liable for a greater proportion of such loss than the applicable limit of liability under this policy for such loss bears to the total applicable limit of liability of all valid and collectible insurance against such loss.

7. Subrogation

In the event of any payment under this policy, the Company shall be subrogated to all the Insured's rights of recovery therefor against any person or organization and the Insured shall execute and deliver instruments and papers and do whatever else is necessary to secure such rights. The Insured shall do nothing after loss to prejudice such rights.

8. Changes

Notice to, or knowledge possessed by, any representative of the Company or by any other person shall not effect a waiver or a change in any part of this policy or estop the Company from asserting any right under the terms of this policy; nor shall the terms of this policy be waived or changed, except by endorsement issued to form a part of this policy.

9. Assignment

Assignment of interest under this policy shall not bind the Company until its consent is endorsed hereon; if, however, the Named Insured shall die, such insurance as is afforded by this policy shall apply (1) to the Named Insured's legal representative, as the Named Insured, but only while acting within the scope of his duties as such, and (2) with respect to the property of the Named Insured, to the person having proper temporary custody thereof, as Insured, but only until the appointment and qualification of the legal representative.

10. Three Year Policy

If this policy is issued for a period of three years, any limit of the Company's liability stated in this policy as "aggregate" shall apply separately to each consecutive annual period thereof.

11. Cancellation

This policy may be cancelled by the Insured first named in the declarations on behalf of all Insureds by surrendering this policy to the Company's authorized representative or by mailing to the Company's authorized representative written notice stating when, thereafter, the cancellation shall be effective. This policy may be cancelled by the Company by mailing to the Insured first named in the declarations, at the address shown in this policy, written notice stating when, not less than 10 days thereafter, such cancellation shall be effective. The mailing of notice to the Insured first named in the declarations shall be sufficient proof of notice to all Insureds. The time of surrender or the effective date and hour of cancellation stated in the notice shall become the end of the policy period. Delivery of such written notice either by the Named Insured or by the Company shall be equivalent to mailing.

If the Named Insured cancels, return premium shall be computed at 90% of the pro-rata unearned policy premium, or minimum annual premium if applicable subject, however, to a retention by the Company of any minimum earned premium specified in this policy. If the Company cancels, earned premium shall be computed pro-rata. Premium adjustment may be made either at the time cancellation is effected or as soon as practicable thereafter, but payment or tender of unearned premium is not a condition of cancellation.

12. Declarations

By acceptance of this policy, the Named Insured agrees that the statements in the declarations are his agreements and representations, that this policy is issued in reliance upon the truth of such representations and that this policy embodies all agreements existing between himself and the Company or any of its representatives relating to this insurance.

COMBINED SINGLE LIMIT OF LIABILITY

A. The LIMITS OF LIABILITY on the DECLARATIONS are amended to read as follows:

\$ 2,000,000. each occurrence as respects Bodily Injury Liability or Property Damage Liability or both combined.

\$ 2,000,000. aggregate.

B. It is further understood and agreed that Insuring Agreement III—"LIMITS OF LIABILITY," as contained in any Coverage Part attached to this policy is deleted and the following substituted therefor:

III. LIMITS OF LIABILITY

Regardless of the number of (1) Insureds under this policy, (2) persons or organizations who sustain bodily injury or property damage, or (3) claims or suits brought on account of bodily injury or property damage, the Company's liability is limited as follows:

The total liability of the Company for all damages, including damages for care and loss of services, because of bodily injury sustained by one or more persons as the result of any one occurrence and the total liability of the Company for all damages because of all property damage sustained by one or more persons or organizations as a result of any one occurrence shall not exceed the limit of liability stated herein as applicable to "each occurrence."

For the purpose of determining the limit of the Company's liability, all bodily injury and property damage arising out of continuous or repeated exposure to substantially the same general conditions shall be considered as arising out of one occurrence.

If an aggregate amount is stated in the Schedule then subject to the above provision respecting "each occurrence," the total liability of the Company for all damages because of all bodily injury and property damage which occurs during each annual period while this policy is in force commencing from its effective date and which is described in any of the numbered subparagraphs below shall not exceed the limit of liability stated in the Schedule of this endorsement as "aggregate":

(1) all property damage arising out of premises or operations rated on a remuneration basis or contractor's equipment rated on a receipts basis, including property damage for which liability is assumed under any incidental contract relating to such premises or operations, but excluding property damage included in subparagraph (2) below:

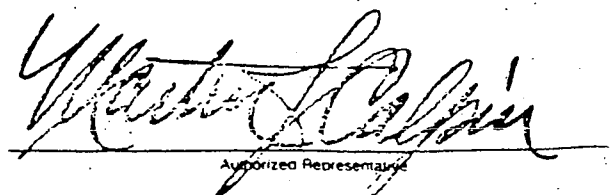

- (2) all property damage arising out of and occurring in the course of operations performed for the Named Insured by independent contractors and general supervision thereof by the Named Insured, including any such property damage for which liability is assumed under any incidental contract relating to such operations, but this subparagraph (2) does not include property damage arising out of maintenance or repairs at premises owned by or rented to the Named Insured or structural alterations at such premises which do not involve changing the size of or moving buildings or other structures;
- (3) if Products-Completed Operations Insurance is afforded, all bodily injury and property damage included within the completed operations hazard and all bodily injury and property damage included within the products hazard; and
- (4) if Contractual Liability Insurance is afforded, all property damage for which liability is assumed under any contract to which the Contractual Liability Insurance applies.

Such aggregate limit shall apply separately:

- (i) to the property damage described in subparagraphs (1) and (2) and separately with respect to each project away from premises owned by or rented to the Named Insured;
- (ii) to the sum of the damages for all bodily injury and property damage described in subparagraph (3); and
- (iii) to the property damage described in subparagraph (4) and separately with respect to each project away from premises owned by or rented to the Named Insured.
